

# AWS Cost & Usage Report

## AWS Cost & Usage Report

The AWS Cost & Usage Report is a single location for accessing comprehensive information about your AWS costs and usage.

The AWS Cost & Usage Report lists AWS usage for each service category used by an account and its IAM users in hourly or daily line items, as well as any tags that you have activated for cost allocation purposes. You can also customize the AWS Cost & Usage Report to aggregate your usage data to the daily or monthly level.
